A sketch of the C.E.Zenana Mission School and the playground attached to it is at page 82 of file 528/1899. The area covered by the school and its surroundings is Govt. land but appears to have been part of the land which the Municipal Commission was allowed to use and enjoy the revenues. The position of such lands is noted on at pages 19-21 of the notes in file 528/99.

The area occupied by the school and the area adjoining it - other than the plot marked A.B.C.D.- were granted to the C.E.Z.Mission for the purposes of the school in 1900 and 1901.Plot A.B.C.D.was, on the recommendation of the Municipal Commission, granted to the Mission in 1916 for use as a playground to the school on condition, inter alia, that no building should be put up beyond the then existing wall of the school building.

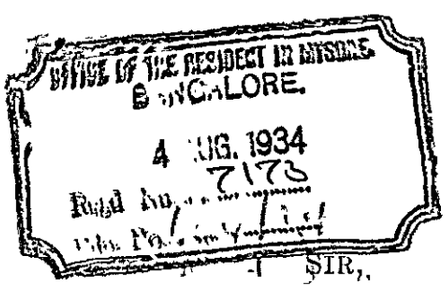
BANGALORE.



SIR,

Subject:-Government land on Thimmiah Road, Civil & Military Station, Bangalore, transferred to the Church of England Zenana Mission, to be used as a playground by the Mission School.

I have the honour to forward, herewith, for the orders of the Hon'ble the Resident in Mysore, a copy of an application received from Miss E. M. Potter, Church of England Zenana Mission, asking for permission to construct a verandah room on the Government land referred to above, granted to the Authorities of the Mission under the Deed of Gift (copy enclosed) executed by the Hon'ble the Resident in 1916, and forwarded with Major T. H. St.George Tucker's letter No.2871, dated the 27th April 1916.

I would invite a reference to condition (1) of the Deed, in which it is laid down that no building shall be put up beyond the present wall of the school, with the exception of the latrine which is to be shifted from its present position to the further end of the new site granted.

The Commission, at their Ordinary Meeting held on the 27th July 1934, considered Miss Potter's application. They find no objection to the request being granted.

Letter dated the 12th June 1934 from Miss E. M. Potter, C. E. Z. Mission, Bangalore, to Mr. W. H. Murphy, Executive Engineer, Bangalore.

I am writing to ask if you will allow us to put up another verandah room on to the front verandah in our C. E. Z. M. School on Thimmiah Road, so as to enable us to have another class room.

The Inspectress of Schools remarked in her report last year that the accommodation was insufficient, hence the above request. If we are permitted to do this, we shall be obliged to encroach on the land which was given to us about the year 1916 for a playground only; it however still leaves us a long narrow strip for a playground. If the Municipal Commission thinks this insufficient would they be kind enough to consider the advisability of giving us an extra bit of land on the west side; we would be very glad to have this extra piece of land, as it is now usually used by young boys as a gambling ground.

(Sd). Edith M. Potter.

P.S. I enclose a plan and estimate for the proposed verandah room.
